THE Dallas News seems to be alarmed for the Democratic party, and says "the reasoning, the Republicans "went to very touching, but Democracy will live while liberty dwells in the land.

with unity and amity.

The customary post-adjournment criticisms are now being circulated in the newspapers of the state, but The Ga-ZETTE notes with pleasure that the carping critics are much fewer in number than usual. Even the decayed chestnut that "the Legislature has adjourned and the people rejoice" found place in less than a dozen newspapers. No man can read the record of the work performed by the Twentieth Legislature, as it is being daily printed in THE GAZETTE, without conceding to the body from which the work emanated intelligence, industry, fidelity and patriotism. The work speaks for itself, and for the men who performed it. That work will stand the test of comparison with any similar work of any similar body. The people will read the record of the work done by the men sent to Austin, and the people will resent unjust or reckless comment on the work per- To the Editor of the Gazette formed or on the men who performed the work. Let the newspaper cavilers words "or wrinted" are left out, the sentence read the record of the work of reading thus: "The words for the amendment" the Twentieth and tell their etc." If this be the text it will cause a great readers what were the sins deal of trouble and annoyance, as, of course, of omission and commission of that all printed ballots would be filegal. Will THE body. The people are reading it and | "or printed," are in the text of the act? they will judge the Legislature by its work and not by what newspapers may say of the work or the members. Newspapers may depend on it that the people Representatives of the State of Texas, the Sen generally are now reading more than at ate concurring, that section 20 of article 16 of any previous time, and the people will
